INDOOR CHALLENGE ZONE

The Perfect Corporate Activity for Teambuilding and Fun!

- 28 Unique Challenge Rooms • 9,000 Square Feet Venue • Fully Automated •
- Live Scoring • Two Floors • Four Themed Zones •

Do you enjoy watching The Cube or love those type of TV shows? If so, or if you like any sort of interactive challenge, then you'll love GoQuest. Our purpose built arena contains 28 unique challenge rooms with a mixture of skill, (light) physical and mental challenges inside them. When you enter a room you and your team have a limited amount of time to try and solve the challenge within - succeed and you'll get the points for that room, fail and you can re try it or attempt another challenge room. You're on a quest to get as many points as possible in a session and you'll have great fun doing it!

GoQuest is the ideal option for corporate team building or company sports and social events. No more having to worry about keeping everyone happy as the mix of (light) physical, mental and skill challenges really means it's suitable for all.
