HOW HIGH CAN YOU SCORE IN 90 MINUTES?

THE PERFECT CORPORATE ACTIVITY FOR TEAMBUILDING AND FUN!

GoQuest Arena, Carrickmines is a huge indoor challenge venue for groups of 3 to 100 people. Your aim is to try and complete as many of our 29 unique challenges in a fast paced 90 minutes session. You won't get to try them all, they are there for choice and are a mix of (light) physical, skill and mental challenges. This means it's very inclusive and has something for everyone. GoQuest is not an escape room, it's much bigger and more varied due to the range of challenges and you can leave/give up on a challenge and try another one at any time. There is no set route or challenge order and this adds to the competitive fun and inclusivity. How high can you score?

GOQUEST® Useful Info

The Ultimate Indoor Adventure

FOOD BEFORE OR AFTER

Food Packages are not included in the corporate ticket unless you book the Corporate Food Package. By default this is served after the activity but can on request be served before. Remember that the booking time on the confirmation is the ACTIVITY TIME, if having food first you'd need to arrive 30/40 minutes before session time and pre order everything. Email us on arena@goquest.ie for extra food options.

WHERE TO GO AFTER

There's not a great selection of restaurants/bars within walking distance so we recommend hopping on a Luas and heading to Sandyford, Ranelagh or Dublin City Centre (30 minutes Stephen's Green) from Leopardstown Valley Luas (3 mins. walk from GoQuest)
