GoQuest Arena, Carrickmines is a huge indoor challenge venue for groups of 3 to 100 people. Your aim is to try and complete as many of our 29 unique challenges in a fast paced 1hr 45 minute experience. The challenges are a mix of physical, skill and mental challenges so it's very inclusive and has something for everyone. You won't get to them all so there's lots of choice! GoQuest is not an escape room, it's much bigger and more varied due to the range of challenges and you can leave/give up on a challenge and try another one at any time. There is no set route or challenge order and this adds to the competitive fun and inclusivity. How high can you score?
