WHY GOQUEST JUNIOR FOR SCHOOLS?

- **Non-stop Fun in Teams:** Students play in groups of up to five, working together to tackle as many of the 22 thrilling challenges as they can. From brain-bending puzzles to fun physical and skill challenges, there's something for everyone!
- **Interactive Gameplay:** With our brand-new scoring system, teams can earn points for progress, unlock bonus features, and adjust difficulty levels—making it more exciting than ever before!
- **Self-Guided Play:** Students can explore at their own pace, while our friendly staff are always there to assist or steer teams toward the right challenge when needed.
- **A Flexible Format:** GoQuest Junior is fully automated, so everyone in your group starts and plays together. It's all about teamwork, fun competition, and having a blast!
