

CONNECT SPACE

The Connect Space at GoQuest is a vibrant, dedicated event area available as an optional add-on for corporate groups. It's the perfect way to extend your visit—whether you're adding extra team challenges, enjoying catering and refreshments, or relaxing together after the main event.

The space accommodates up to 75 people at a time and can be used for:

- Additional team-building activities (see options below)
- Informal meetings or presentations
- Food, drinks or a relaxed social wind-down

We can now accommodate corporate groups of up to 150 people, with half enjoying the GoQuest Arena while the other half rotate through tailored activities in the Connect Space.

Choose how you use it:

- Option 1 – Add-on Team Activities
- Option 2 – Pre-event Meeting Space
- Option 3 – Post-event Social Time

OPTION 1 - ADD ON GOQUEST TEAM GAMES

Turn Your GoQuest Visit into a Half-Day Experience with **TeamWorks**. Add an extra 1.5 hours of team-focused fun in The Connect Space with TeamWorks—a dynamic mix of table-based challenges designed to keep the energy going after GoQuest Arena. Games like ‘Parking Lot’ and ‘Breaking News’ are all about teamwork, creativity and good communication, perfect for keeping your group engaged and entertained.

Looking for something a little more active? You can also choose **Planetary Pipeline**—a high-energy collaborative challenge where small teams contribute to one epic group mission.

OPTION 2 - ADD ON PRE ACTIVITY MEETING SPACE

Kick off your GoQuest event in style by booking the Connect Space for up to 1.5 hours before your activity—perfect for a casual meeting, team catch-up, or pre-event buzz. Add teas, coffees, breakfast bites, pastries or lunch to keep everyone fuelled and ready to go.

The space comes with round tables and chairs, aircon and one or two screens for presentations (depending on group size). While it’s a private area, it’s just off reception—so it’s best suited to informal gatherings rather than formal boardroom-style meetings.

OPTION 3 - ADD ON POST ACTIVITY SOCIAL SPACE

Add the Connect Space to your corporate booking after your GoQuest adventure for some well-earned downtime and chill-out time with the group. Unwind with food, drinks—including our hassle-free new BYOB option—and enjoy laid-back games like Giant Jenga, Pub Skittles, and Giant Connect 4.

You can choose from our extensive menu (see below), and our new BYOB option makes things easy: just pre-order from our drinks list and we’ll provide fridges, ice, and a staff member to keep it all running smoothly.

Have a larger group?

With our Ultimate Buyout, we can accommodate up to 150 people with exclusive access to all of GoQuest, including the Connect Space. Perfect for bigger corporate events with a mix of activity and downtime.
