- **Interactive Gameplay:** With our brand-new scoring system, teams can earn points for progress, unlock bonus features and adjust difficulty levels—making it more exciting than ever before!
- **Self-Guided Play:** Students can explore at their own pace, while our friendly staff are always there to assist or steer teams toward the right challenge when needed.
- **A Flexible Format:** GoQuest Arena is fully automated, so everyone in your group starts and plays together. It's all about teamwork, fun competition, and having a blast!
